**WhiteBIT's Headquarters is located at:
26 J. Basanavičiaus Street, Vilnius**

We are an international financial company engaged in investment activities, which are related to trading on financial markets and cryptocurrency exchanges performed by qualified professional traders.

As a firm, our sustained success is based on the ability of our people to be at their best. We want our people to be themselves, be bold, share their unique differences and form deep relationships that are rooted in trust.

Why Choose Us

We are more of an MAM (Multi Account Manager) This is essentially a Big pool of funds generated by investors in which our team of Expert traders with not less than 10years experience in trading digital assets, stocks , commodities, forex and cryptocurrencies daily across multiple exchanges , Markets are been explored by these experts and they are able to predict the rise and fall of assets, helping to generate a maximum return of investments for our investors.

25 Years of experience

All of our clients' investments are held in their own separate accounts at one of the largest brokerage firms/ custodians in order to maintain maximum safety, transparency, liquidity and client control.

24/7 Support

We're available 24hours a day! Contact to require a detailed analysis and assessment of your plan.

Service with love

We offer an array of cutting-edge trading platforms and technology to support the many needs of futures and forex traders.

whitebit

OUR GUARANTEE

We deliver the most advanced information and tools such as rates and charts, market analysis, forex news, economic calendar or webinars together with a wide variety of sources of information for traders to access the market in a conscious way.

OUR MISSION

Create opportunities of professional growth for our audience, from beginners to advanced Forex traders, and for our collaborators and partners (banks, educators, independent analysts, data providers and brokers).

OUR ADVANTAGE

Be the industry leader provider of information and resources for Forex traders providing an objective view of the markets.
